## Personal Profile

Dedicated and results-driven Credit Controller with over 8 years of experience in managing credit and collections. Proven expertise in minimising credit risk, optimising cash flow, and maintaining strong customer relationships. Adept at negotiating payments, analysing financial data, and implementing credit policies while ensuring compliance with regulatory standards.

## Work Experience

### Senior Credit Controller, HSC Holdings, London | 2018 - Present

Oversee credit control team by driving continuous improvement to credit risk management and operating procedures. Establish and maintain effective relationships while ensuring adherence to policies. Proactively investigate and resolve discrepancies. Conduct regular credit risk assessments and recommended credit limit adjustments, contributing to improved cash flow.

- Implemented proactive credit management strategies, resulting in a 15% reduction in overdue accounts.
- Collaborated with sales and finance teams to streamline credit application processes, reducing approval time by 20%.

### Assistant Credit Controller, Johnson Consultancy, London | 2014 - 2017

Liaised with customers, addressing and resolving overdue accounts/credit payments. Collaborated with customers to resolve payment discrepancies and disputes, maintaining positive relationships. Conducted thorough financial analysis and risk assessments, identifying potential credit issues in advance.

- Received positive feedback for consistently adhering to processes and policies and by proactively documenting and updating changes.
- Gained significant experience by supporting the development of credit policies and procedures, ensuring alignment with industry best practices.
