WORK EXPERIENCE

Interior Designer, Kelly Hoppen Interiors, London, UK, 2020–Present

Guide and lead junior designers, fostering their professional growth through onboarding, training documentation, and 3-month plans. Collaborate with architects and contractors to oversee the execution of multiple high-end residential and commercial interior design projects. Develop and execute creative strategies through site assessments and space analyses to inform data-driven decisions and optimise functionality.

- Residential:** Oversaw a prestigious Kensington townhouse's complete renovation and interior redesign, resulting in a 30% increase in property value and high client satisfaction.
- Office:** Led the design team in the transformation of a 15,000 sq. ft. corporate office space for a leading financial institution called Canary Wharf.
- Luxury Spa:** Managed the design and construction of a high-end well-being centre in Chelsea, featuring custom-designed relaxation areas and treatment rooms.

Junior Interior Designer, HOK London, UK, 2016–2018

Assisted in creating design proposals, mood boards, and detailed floor plans. Participated in space planning and layout design for residential and commercial projects, optimising functionality and aesthetics while adhering to client requirements. Assisted in sourcing and procuring materials, furnishings, and decor elements, ensuring they aligned with the project's design vision and budget.

- Implemented sustainable design practices, achieving LEED Gold certification for the project.
- Successfully executed design concepts for residential projects, resulting in a 15% increase in client satisfaction scores based on post-project surveys.
- Conducted precise on-site measurements and space assessments, reducing design errors and revisions by 20% and saving project timelines.

Awards

- Received recognition in "Interior Design Excellence Awards (IDEA) – Emerging Talent Category" for 2021.
- Received the British Institute of Interior Design (BIID) Emerging Talent Award in 2020, recognising outstanding contributions to the field.
- Featured in "Interior Design Trends UK" magazine for innovative use of sustainable materials and modern design concepts.
