

# Amy Lambert

Seasoned Lab Technician with over 5 years of experience in hospital and community settings. Proven track record of performing laboratory tests, maintaining quality control, and ensuring accurate results. Adept at collaborating with healthcare professionals to contribute to patient care and well-being.

## Work experience

### Lab Technician, NHS trust, London, UK, 2021 – Present

Conduct a variety of laboratory tests with a focus on precision and accuracy. Provide detailed pharmacological advice to multidisciplinary healthcare teams. Monitor patient drug therapies for potential incompatibilities. Collaborate with physicians, nurses, and healthcare professionals to improve patient outcomes.

- *Developed and executed a clinical decision support system, resulting in improved drug therapy outcomes by 15%.*
- *Mentored and trained 10 junior lab technicians, enhancing their knowledge and skills in laboratory techniques.*
- *Implemented cost-saving measures that led to a 15% reduction in laboratory expenses over six months.*

### Lab Technician Assistant, LabCorp, Manchester, UK, 2019 – 2021

Conducted hands-on support for various laboratory tests and procedures under the guidance of senior lab technicians. Assisted in implementing and adhering to quality control procedures to uphold high standards. Ensured compliance with safety regulations and maintained a clean and organised laboratory environment.

- *Implemented a streamlined inventory management system, reducing downtime due to supply shortages by 20%.*
- *Worked closely with team members to troubleshoot and resolve technical issues, minimising disruptions to laboratory activities.*
- *Contributed to the successful implementation of new laboratory protocols, improving the accuracy and reliability of test results.*

## Awards

- **Workflow Innovation and Efficiency Champion (WIEC) Award:** *Implemented a groundbreaking laboratory process optimisation, resulting in a 25% reduction in turnaround times for test results.*
- **Precision Performance Excellence Award (PPEA):** *Consistently demonstrated outstanding skills and precision in laboratory testing, maintaining a high level of accuracy in results.*
