PERSONAL PROFILE

Dedicated and compassionate midwife with over 8 years of experience in providing exceptional care to expectant mothers. Adept at supporting women through all stages of pregnancy and childbirth, with a solid commitment to ensuring the safety and well-being of both mother and baby. Skilled in building trust and rapport with patients and their families, promoting a positive birthing experience.

SKILLS

Antenatal and postnatal care | Labour management | Neonatal Resuscitation | Fetal monitoring | Breastfeeding support | Medication administration | Infection control | Patient Advocacy | Electronic health records (EHR) proficiency

WORK EXPERIENCE

Senior Midwife

St. Mary's Hospital, Liverpool, UK

2017 - Present

Oversee and coordinate the midwifery team in a busy maternity unit, ensuring smooth operations and providing mentorship to junior midwives. Collaborate with obstetricians, neonatologists, and other healthcare professionals to provide comprehensive care. Manage complex cases, including high-risk pregnancies, multiple births, and neonatal emergencies. Conduct antenatal assessments, birth plans, and postnatal care for a caseload of expectant mothers, fostering strong patient relationships.

- Initiated community outreach programs, leading to a 25% increase in prenatal education attendance.
- Optimised resource allocation through strategic scheduling and inventory management, resulting in a 15% reduction in operational costs.

Junior Midwife

Bristol Hospital, Bristol, UK

2015 - 2017

Assisted senior midwives in conducting antenatal assessments, monitoring fetal well-being, and assisting with childbirth. Educated expectant mothers on pregnancy-related matters, including nutrition, pain management, and postnatal care. Managed administrative tasks, maintained patient records, and ensured compliance with infection control protocols. Gained hands-on experience in delivering babies and providing emotional support to labouring mothers.

- Assisted in implementing prenatal education classes, contributing to a 20% increase in attendance and positive feedback from expectant mothers.
- Received positive feedback from supervisors for adaptability and a willingness to learn, contributing to a smooth integration into the labour and delivery team.

EDUCATION & CERTIFICATIONS

Bachelor of Science in Midwifery, University of Plymouth, 2014

Registered Midwife (RM), Nursing and Midwifery Council (NMC), UK, 2015
