## Work experience

### Nanny, MacDonald Family, London, UK | 2021 - Present

Provide attentive care for two children aged 5 and 7, ensuring well-being, safety, and comfort. Prepare and serve nutritious meals and snacks, considering dietary preferences or restrictions. Organise and engage in age-appropriate activities, including educational play, crafts, and outdoor excursions. Maintain positive communication with parents, providing regular updates.

- Promoted holistic development by organising creative play and interactive learning activities. Received positive feedback from parents that noticed a boost in children's confidence.
- Demonstrated exceptional organisational skills by consistently adhering to strict routines and coordinated schedules with parents.

### Nanny, Reed Family, Bath, UK | 2020 - 2021

Completed 12 months as a probationary nanny, completing Norland diploma and earning professional title *Norlander/Norland Nanny*. Cared for two children aged 3 and 5, fostering a warm and nurturing environment. Managed daily routines, including dressing, school drop-off, lunch, and after-school activities. Facilitated creative play and interactive learning activities.

- Created and maintained a secure, clean, and creative environment where the children could freely explore and learn.
- Organised engaging age-appropriate activities, such as educational play, crafts, and outdoor excursions, facilitating children's cognitive, creative, and physical development.
