PERSONAL PROFILE

Qualified and patient-focused Optometrist with 5 years of experience providing exceptional eye care services. Strong interpersonal and communication skills, committed to building lasting relationships with patients. Proven track record of delivering accurate diagnoses, prescribing appropriate corrective measures, and ensuring optimal patient satisfaction. Adept at utilising advanced diagnostic equipment and staying current with industry trends.

WORK EXPERIENCE

Optometrist

Visionary Eye Care Clinic, London, 2017 - Present

Lead a team of optometrists in providing high-quality eye care services. Spearheaded the adoption of advanced diagnostic equipment, improving the clinic's diagnostic capabilities. Developed and conducted staff training programs on the latest optometric technologies and best practices.

- Implemented new patient education initiatives, resulting in a 20% increase in patient compliance YoT with prescribed treatments.
- Achieved and maintained a 4.8+ Google review rating due to consistently delivering high levels of customer satisfaction.

Optometrist Work Placement

Clear Vision Optometry, Manchester, 2016 - 2017

Conducted routine eye examinations and assisted in the diagnosis and management of various ocular conditions. Collaborated with the optical dispensary to ensure accurate and timely delivery of eyeglasses and contact lenses. Participated in community outreach programs to promote eye health awareness.

- Gained experience in fitting and educating patients on the use of contact lenses.
- Recognised for proactively reducing inventory costs and other optical costs by initiating a new system for real-time inventory visibility.

Additional Experience: Volunteer, Pearl Vision, Bristol, 2012 - 2015
