WORK EXPERIENCE

2020 - Present

Freelance Photographer

Various High Fashion, London

Manage the entire photo shoot process, from concept to post-production. Collaborate with diverse clients such as fashion brands, corporations, and individuals. Apply advanced photo editing tools to refine and elevate images. Cultivate a robust online presence via social media and a personal website.

- Orchestrated successful photo shoots for high-profile fashion brands such as H&M, Nike, Dr Martens, resulting in a 20% increase in brand engagement and a 15% rise in social media followers due to visually captivating imagery.
- Achieved a 25% reduction in post-production time by implementing streamlined workflows for image retouching, leading to improved project turnaround and heightened client satisfaction.

2018 - 2020

Lead Photographer

Capture Studios, London

Led a photography team, ensuring top-tier image quality and client contentment while closely partnering with clients to meet branding needs, managing diverse photoshoot setups with studio equipment, conducting training for junior photographers, and actively participating in marketing initiatives through input and client interactions.

- Elevated image quality and client satisfaction by overseeing photoshoots, resulting in a consistent 95% client approval rate and a 20% increase in referral business.
- Enhanced team proficiency by conducting regular training sessions for junior photographers, leading to a 30% improvement in shoot efficiency and a notable reduction in post-production time.

EDUCATION

Bachelor of Arts in Photography, London College of Arts, London, 2017
